Operation

1. MAIN MENU

Press "MENU" on the remote controller to display the main menu.

Press "UP" "DOWN" "LEFT" and "RIGHT" to move the cursor.

Press "ENTER" to enter a sub-menu or press "RETURN" to go back to previous menu.

Select a song

You can select a song by many ways such as song number, language, artist, etc.

Select a song by song number

You can select a song by song number.

Step :

Press the number keys on the remote controller, the number shows on right top of the screen and if song exists, press "INPUT", the name will be displayed on top of screen and will play automatically.

E.g.

Select one song with "123456" song number; press 123456 buttons on the remote controller, then press "INPUT" to make the song play.

*After you have selected a song and there is no song playing, press "INPUT" will play that song automatically. If there are songs already pre-selected, it will store the song on the "list" menu

Select a song by language

You can select a song by language.

Step :

Press "UP" "DOWN" "LEFT" and "RIGHT" to move the cursor to "Language". Press "ENTER" to enter a "language" submenu. The menu indicates as left.

Press "UP" "DOWN" "LEFT" and "RIGHT" to move the cursor to where you want to go. Press "ENTER" to enter next submenu.

Press “PAGE up & down” to make page up and down, Press “UP” “DOWN” to move the cursor. Then you can select the song you really want to sing.

Select a song by Artist

In this menu, you can select songs by artist. The artists are divided to 4 groups, that is more convenient and easier to sort.

Step

Enter the “Artist” menu → Select one group → You can find many singers in it → Press “UP” “DOWN” or “LEFT” “RIGHT” to move the cursor, Press “PAGE up & down” to make page up and down → Choose a singer and press “ENTER” → System display all songs belongs to this singer → Press “UP” and “DOWN” to select song → Press “ENTER” to play the song.

Select a song by Favorite

My favorite songs are displayed in the “Favorite” menu.

Step
