Product Overview

The iStoragePro Pocket 2.5" drive is the perfect storage solution for traveling business people and creative professionals. The lightweight design is ultra-portable and stylish, created with today's lifestyle in mind. You can take your projects on the road, in the air or anywhere else your busy schedule requires. This iStoragePro drive is bus powered; no need to carry an AC Adapter. It is easy, portable and ready for action at a moment's notice. This is the coolest and sleekest creative media storage solution of the 21st century.

Audio / Video Application

The iStoragePro Pocket is a perfect Notebook storage device, allowing users to backup any file types including personal data, music MP3s, high-resolution video, digital photos and Apple Time Machine system backup application. iStoragePro Pocket utilizes low power consumption and a bus-powered design, which means it can operate anywhere on the planet with easy connection to your host computer via a USB or FireWire interface.
